### **PRESIDENT'S REPORT**

*By: Gary Polipnick*

Year to date we have 183 paid golfing members. Social memberships are at 105. Our budget was based off of 200 golfing members.

There are still a few parking stalls available in the cart storage facility if you are interested.

Friday night dining has been relatively busy and if you didn't make it to the club on Valentine's Day you missed a real treat. You may have noticed that we are asking our members and guests to fill out comment cards regarding their dining experience. Your honest feedback will help us make improvements so please take a minute to fill them out. Bookings for this year are in good shape as well. We still have a few prime weekends available, so, please keep the SCC in mind for any of your upcoming events.

Historically, we have one more month before the golfing starts so please consider your club when making plans for dinner these next few Tuesdays and Fridays.

### **GOLF SHOP MEMO**

*By: Steve Hlavacek*

2012 golf season is just around the corner. May 18th will host both Callaway and Ping

Demo days. This a great opportunity for you to get fitted, try out new clubs and take advantage of special pricing to get those hot new clubs. If you are interested, please contact me at 873-7861 for an appointment during that day.

With the golf season close at hand, it is time to think about a spring tune up on your golf cart. Premier Golf Cart Company, formerly Tiziani Cart Company, will be at the club April 3<sup>rd</sup> to take care of your golf cart needs. You need to call them at 608-246-0444 to make an appointment. Without an appointment your cart will not get serviced. You can leave your key, drop off your cart at the golf shop or they will come to your residence that day.

The weekend of April 13 through the 15th will be Club Car Demo Day here at the club. There will be both new and used carts for you to demonstrate that will be for sale. Take advantage of this weekend for some special pricing.

Our club will again host a WSGA Golf Event here on the 25th of May. The event is a net partners tournament and will probably host a full field of 54 teams. Don't wait to sign up for this or you could miss out. Log on to the WSGA Web site to register.

**Golf Cart For Sale:** 1999 Yamaha Gas, annual service with Premier Golf Car Company, great condition, maintenance records. \$1800. Golf cart belonged to John Palmer who recently passed away. Contact Steve if interested at 873-7861 or 873-8464. Cart space is available in our cart shed.

### **MANAGER'S MEMO**

*By: Steve Hlavacek*

Starting this spring we will be switching to can beer from bottled beer. We decided that we would start recycling here at the club and think we can save some money with the program and help with our environment. We also would like our members to use their own water bottles or cups when they get ice water here at the club. We will continue to provide ice water at the bar and on the course and hope we can reduce the amount of Styrofoam glasses we use and throw away annually.

Our membership promotion night on the 21st of February was quite a success. Two new couple golf memberships, Richard & Sherry Cheadle and Robert & Judith Sheridan; and two single golf memberships, Eric & Heidi Smedal and Michael Brennan, joined that evening. Several other possible memberships were also realized and we look forward to these additional memberships as well. Thank you to those members who brought their friends to the club that night as their participation proved once again that our members provide the best mechanism to attract and retain new members. We will have new member promotion days on Wednesdays and Thursdays during April and May. During these months you can bring your friends and guests interested in joining to the club for free green fees, cart and dinner. This is an excellent way to introduce them to our club. In addition, as a member, you can take advantage of the Membership Promotion benefits currently available and save on your own membership. To keep our club strong, we need to have all of our members help with membership. Thank you all for your help.

### **LADIES AUXILIARY**

*By: Marge Gerber*

During the warm and toasty month of February, there were two auxiliary luncheon and card gatherings. We also will meet on the leap year Wednesday.

Donna Onsrud chaired the February 15th meeting as our new president. Inez Toepfer shared her treasurer's report with the group. Thank you to these two ladies for volunteering for these duties.

We continue to work on our new, improved and brief constitution. We hope to ratify it at a March 2012 meeting. There was much cutting and pasting and revising to do. It will be a concise document and available to anyone who chooses to peruse it.

Bridge winners during this month were Ardys Pfundheller, Suzette Mullooly, Mary Sundby and Inez Toepfer. February euchre victors were Marian Rambo, Donna Onsrud, Eleanor Doering and Doris Helmke.

The six-month highest scorers amongst euchre players were announced. The champs were Marilyn Starostovic and Evie Kahl. Congrats, ladies!

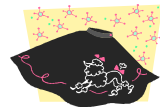

New and/or returning women are being welcomed to the Country Club. Current auxiliary members are encouraged to bring guests. We want to show these new ladies how nice and friendly our members are. Let's try to increase our membership this year!
