

THE HISTORY OF STOUGHTON COUNTRY CLUB

By Douglas Pfundheller

In the late 1800's a group of railroad executives from the Chicago area came to Lake Kegonsa and started a "camp", Camp Collins, on what is now Tracy Lane. Some of the men were golfers and they made an arrangement with a local farmer, Thor Olson to use his meadow. Armed with scythes they cut the long grass and played golf in the stubble. Olson's Meadow would later become the first nine holes of the Stoughton Country Club.

In 1914, O.J. Forton and Elmer Falk, local businessmen, had an idea that a golf course on Lake Kegonsa would be a great thing for Stoughton and a real extra draw for the lake visitors. They approached H.W. Scott, a local tobacco broker and the only man they knew in town that played the game; he took the train to Janesville to play now and then. He was interested as were many public spirited citizens in town but World War I got in the way so nothing more was done.

The war ended and 1920 saw the golfing spirit develop again to a point that the group decided to finance a visit by Mr. William Watson of Chicago. He was a golf course architect and famous for some of America's outstanding courses. This action showed the foresight of the group, but at that time land values in this area were very inflated, \$300 to \$550 per acre so things were put on hold. 1922 saw a decline in land prices and the group saw a real possibility of getting started, led by Mr. Scott who purchased a lake lot from H.T. Anderson that would connect the Olson farm to the lake. An option was taken on the Olson estate which included the meadow, some wild lands and a wood lot (#10 and #9 holes). Mr. Watson designed the course and Mr. Harry Smead, a Chicago golf course contractor, was engaged to supervise the local crews who did the work. The money was borrowed from the bank and 24 local business and professional men signed the note. Stock was sold at \$100 per share and there were 234 stockholders, not all of them golfers.

In 1928 the directors began planning a new club house that would cost \$15,000. Work was started in 1929 and the dedication of the building took place in June of 1930. The local paper reported that 130 dinner reservations were made with music by Hoel's orchestra of Janesville. Miss Jean Hedemark played piano selections, Paul Skinner sang and Roundy Coughlin was the speaker. The new two-story club house was a beauty. The men's lockers, lounge and Golf Shop were located on the first floor. The ladies lounge and lockers, kitchen, dining room (seating 250), offices and a large screened porch were on the second. The dining room was open to the public for Sunday dinners. Easter Sunday morning,

April 1954, at about 4 a.m. the clubhouse burned. Nothing was saved. The replacement value of the property and contents was estimated at \$75,000. There was a balance on the mortgage of \$7500 and the total insurance coverage was just \$30,000. There just wasn't enough money to do an adequate job of replacing the old club house so the directors did the best they could and ended up with a cement block, one story structure that faced the course and ignored the lake side. The dance floor doubled as the dining space. It was opened in 1956.

1968 saw things going a lot better and the board decided to spruce things up a bit. A beautiful new dining room was added with lots of windows facing the lake. The downstairs was left unfinished but there was room for expansion. This room is now the Lake Kegonsa Room. A new Golf Shop was added and the locker rooms enlarged. One hundred fifty trees were planted and the fairway watering system was completed. In the late 1980s Donn Wheeler, a board member started a discussion with Oscar and Shirley Linnerud about adding an additional nine holes. It took a few years to work out the details but an offer to purchase was signed on September 8, 1993 for 92 acres of land east of Country Club Road. The back nine was dedicated in July of 1995.

Times were good, the membership growing, bills were paid and things couldn't be better, then-----August 18, 2005 a tornado hit the Stoughton area. The dining room roof ended up on the floor, the Lake Kegonsa Room was destroyed, \$20,000 in tree and green damage occurred. Another disaster, but not so bad this time as the board had very good insurance. It was an inconvenience for a few months as the club house became much like it was in 1954. Soon everything in the building was better than before.

I could have mentioned a hundred or more names of folks who made all of this happen, but most of you wouldn't recognize their names. If you drive through the little subdivision just south of the old nine holes you will see Giehler Drive named after the club professional, Scott Circle, the first club president, Duncan Drive, the second club president and Lynch Circle, named after a longtime golfer and friend of the above. These are just a few of the folks who helped bring Stoughton Country Club to all of us.

All members should strive to create an atmosphere that is appropriate and comfortable for their fellow members and guests.

Golfers are asked to repair all ball marks, replace all divots and rake sand traps. Players who fail to adhere to Club policy or willfully damage the course, will be advised that further abuses will result in forfeiture of golf privileges.

REGISTER IN THE GOLF SHOP BEFORE BEGINNING PLAY

You must register in the Golf Shop prior to teeing off on #1 tee. After completion of your front nine, you must notify Golf Shop personnel of your desire to play on the back nine. Failure to do so can result in losing your place on the #10 tee. All golfers must start on #1 tee unless otherwise directed by the Golf Shop.

HOLE-IN-ONE CLUB

Hole-in-one insurance is available at the club for \$5.00 and is available to any golf member. You will be billed at the beginning of the season for each family member who was signed up the previous year. Your insurance will cover your celebration costs at the bar on the day of your ACE only. You may sponsor drinks for anyone who is at the club the day of your hole-in-one. Each time a hole-in-one is scored by a hole-in-one club member, an additional \$5.00 will be charged to your member account. Any balance that is left over in the fund at the end of the season will be used for the hole-in-one club party at the end of the year. Only hole in one club members are invited to the hole in one club cocktail party. WAVE-ON RULE

All golfers should use the wave-on rule on #10 green on busy days. A drive landing in the woods can be found while the group on the green finishes putting.

GOLF HANDICAPS

To be eligible to play in golfing events requiring a handicap, new members must have played and entered a minimum of (5) 18-hole rounds into the computer in the current year of eligibility. The handicap committee reserves the right to adjust handicaps for tournament play if it is determined that a handicap may be fraudulent or incorrect posting of scores may have occurred.

POSTING SCORES

To be sure all handicaps are as current as possible for tournament play, all golfers

must post scores after each round using the computerized handicap system in the Golf Shop or log on to the WSGA Handicap system at www.wsga.org. Failure to do so may result in the posting of a par score for that round, by the Handicap Committee. Anyone not submitting a score for their round will come under the scrutiny of the golf committee handicap chairman and could have a score entered that would equal their lowest round for the year.

DRESS CODE

Proper golf attire is required at all times. Men must wear shirts with sleeves.

CLOSING THE COURSE DUE TO INCLEMENT WEATHER

Closing the course is one of the most difficult and emotional situations that the Greens Committee, the Club President and the Golf Course Superintendent face. Closing adversely affects cash flow in all departments and may (and usually does) create dissension among golfing clientele. The primary reason for closing the course is adverse weather conditions. Many factors influence the decision. Since most of these factors call for personal judgment, the decision is seldom left undisputed. The decision is made on all available facts, with the best long-term interest of the entire club as well as the impact on the membership as the primary governing factors.

SOFT SPIKES

Golf shoes with soft spikes are mandatory.

SUMMER RULES

Summer rules will govern all club events unless otherwise posted.

ALCOHOLIC BEVERAGES

All beverages must be purchased from Stoughton Country Club. State law and the Stoughton Country Club Board of Directors' policy prohibit the sale or consumption of alcoholic beverages to persons under the age of 21. For the safety and welfare of all members and guests, your cooperation in observing responsible and legal consumption of alcohol is requested. Employees of Stoughton Country Club are responsible for insuring that State Statutes regarding alcohol consumption are followed.

NO SMOKING

The Stoughton Country Clubhouse is a smoke free environment. No smoking is allowed inside the clubhouse. No smoking is allowed on the patio during dining hours.

CLUB AVAILABILITY

All party requests for non-member groups must be sponsored by a Club member and must be submitted in writing to the Club Manager, for approval by the Board of Directors. When approval is received, a deposit may be required and is non-refundable.

Sponsoring members must be in charge and will be held responsible for all Club charges incurred on their accounts. Payment of charges incurred must be made in full by the sponsors and must be paid on the day of the event. Sponsors will be responsible for the conduct of their guests.

Golf is the main reason that our members have joined the club. Our mission is to encourage and facilitate member use of the golf facilities with a well organized, creative golf program for all of our members. To get you started and help you enjoy your game to the fullest, we are pleased to offer this golf information.

An easy way to get your game going is to join organized group activities. Stoughton Country Club has events for men, women, and children. The Women's Group meets for 18-hole play each Wednesday, choosing tee times between 8:30 and 3:00 p.m.; 9-hole players meet at 8:00 a.m. Call the Golf Shop to find a group. Ladies and Men's Day start the first

Wednesday/Thursday that the course is open in the spring and ends when the course closes with snow cover.

Joann Lien, Games Committee

Pam Hendricks, Treasurer

NOTICE TO ALL WOMEN GOLFERS

The Stoughton Women's Golf Association invites you to join Ladies golf in 2017. We invite ALL women club members - those who are seasoned golfers and those who are just learning. Women play throughout the day on Wednesdays. Again, in 2016, **8:30 – 3:00** on Wednesdays is the time reserved for women golfers only when the course opens until October, when Ladies Day is from 8:30-1:30. Signing up for a tee time will be necessary, either individually or as a group. If you are interested in playing 18 holes and don't have a group to play with, consider signing up around 12:00 – 12:30 in order to get some groups together. Please plan to arrive 15 - 30 minutes before your tee time.

If you are in need of a golfing partner, let the Golf Shop know. If you would like to regularly play with different partners to meet more women golfers, alert the Golf Shop to this information as well. We do not want to lose the camaraderie that has characterized our ladies day.

GAMES

To participate **each week** you will need to sign up and pay \$1 for nine holes or \$2 for eighteen holes. The Golf Shop will be administering this contest. Be sure to sign up in the Golf Shop to participate and don't forget to check the bulletin board in the women's locker room to see if you have won a prize! The prizes (golf balls) will be divided between the front and back nine holes.

There is an optional "chip in" pot each week for \$.50. Sign up in the Golf Shop and put in your \$.50. The money will be divided equally among the winners. If there are no winners, the money will carry over to the next week.

Stoughton Country

The Golf Shop will also organize the Chip-n-Sip schedule and run the Ladies Tournament in August.

We will have three major events open to all women club members and their guests this golfing season:

May 3: Spring Fling

June 28: Rally for a Cure

Aug 9 & 16: Women's Club Championship

Please note that on Women's Club Championship dates play is restricted to women only from 12:30 until 5:00 p.m. Men and students must tee off by 8:30 and have their rounds completed by 12:30.

Sept 20: Fall Frolic

Put these on your calendar so you don't miss these fun events. If you would like to help with an event, please call anyone on the games committee. There is always a need for your help. Thanks to great participation, these events have become self-supporting. Because of this and the changes to weekly prizes, there will be no dues for the Stoughton Women's Golf League. Any net proceeds from these events are used to support the club.
