

STOUGHTON COUNTRY CLUB NEWS

Volume XVIII Number 4

April 2013

PRESIDENT'S MESSAGE

By: Ted Waskowski

When you visit the Club, you will see that there are two new doors on the west side of the clubhouse in the bar area. These will make it much easier for us to use the patio. In the next few weeks, we expect to replace the windows on the west side between the two doors as they are badly rotted and really need replacement. After the windows are in, you should notice that the area will be warmer in the winter and cooler in the summer. Clyde Olson did a nice job of pulling all of this together and I hope you take the opportunity to thank him when you see him.

The Board is presently in the middle of a process of setting its priorities for the next few years. However, several improvements will be made soon. We will add a total of approximately 100 feet of cart path. The cart path on 5 will be extended. The cart path leading down from the women's tee on 8 will also be extended. Many people have noticed the extremely poor condition of the area below the women's tee on 8 and the extra pavement should help a lot. All of the cart paths will be filled and sealed this year as well.

Additional facilities to charge carts are being added to the cart shed. This will allow us to make even better use of the cart shed as more and more carts are electric.

If the weather forecasts are right, by the time you read this the snow should be melting rapidly. We will open the course as soon as we can without doing significant damage to the course. Think Spring!

MANAGER'S MEMO

By: Steve Hlavacek

The Easter Brunch was a huge success. Chef Bear and crew prepared a very nice buffet that was enjoyed by over 200 people. Sign up now for our Mother's Day Brunch on Sunday, May 12th. Make your reservations early!

We have scheduled a wine tasting with Sebrena for Saturday, April 6th from 3-5. Reservations must be made no later than Tuesday, April 2nd.

Call Premier Golf at 800-824-8961 to schedule your Spring Golf Car Tune-up.

TREASURER'S REPORT

By: Steve Swanson

We are off to a good start in 2013. Last year at this time the golf course was open and revenues were already flowing in. Taking that into consideration I am pleased that our current financial position is better than expected. Membership is at roughly the same level as last year, however we fully expect solidifying a few more members when the course opens. A number of new members have joined this year so we fully expect this will impact overall revenues for the club. Please welcome new members you see down at the club and take the time to introduce yourself. As I mentioned earlier all things considered we are off to a good start with restaurant revenues down only slightly from last year, while bar revenues are virtually identical to where they were at this point last year. Expenses are lower because the course has not opened yet so

our overall net income for the period is better than it was in 2012 by about \$3000. The board has decided to send out weekly reminders of dining specials and upcoming events which we hope will increase activity in the restaurant. With our new chef, our new menu and more aggressive sales activity for events we feel well-positioned to grow the revenues in the restaurant.

LADIES AUXILIARY

By: Marge Gerber

Mother Nature only allowed one auxiliary meeting during the month of February.

There has not been much business happening during these cold winter months.

It was announced that Fran Kingery had the high score in bridge for the second half of the season. Congrats, Fran!

Victorious in euchre were Bev Degroot and Ma Star. Winners in bridge were Fran Kingery and Ardys Pfundheller.

It is nice and cozy to spend a cold afternoon with friends having lunch and playing cards. Come out and see for yourself! We would love to see more ladies participate on Wednesdays.

Since I am going to be gone for the month of March, I will catch up with all the auxiliary news and report at the end of April.

LADIES SPRING FLING

You're invited to celebrate May Day in the land of orchids, ukuleles and rum, hula, surfboards and fun. Join us for our Spring Fling on Wednesday, May 1, 2013. Registration is at 11:30. Come early for lunch and tropical treats. The format is best ball with a shotgun start at 12:15. Sign-up sheets are available in the ladies lounge.

Please make reservations for Friday Night Dining at the Club to better assist our staff in making your dining experience the best it can be.

Walk-ins will be seated when time allows.

Come in and try Chef Daniel Bear's new Friday Menu.

Weekly specials will be emailed as soon as they are available.
