TREASURER'S REPORT

By: Steve Swanson

As of June 30, 2014, restaurant and bar sales are lagging as compared to last year, though this is largely offset by a reduction in expenses for the restaurant. We have become more efficient with inventory management which plays a large role in this reduction. Course revenues are approximately \$13,000 better than last year while course expenses have remained flat. YTD net overall financials show that we are ahead of last year by \$7,500. The Board continues to discuss our priorities with a close eye towards the cost of each. Please do provide feedback to the Board

with anything you feel needs our attention. We do appreciate feedback and take this into consideration with various projects. Evidence of this recently occurred with the Board postponing consideration for the reconstruction of the practice green after feedback from members. Our golf membership count stands at 228 which is slightly ahead of last year. Our social membership is at 97 as compared to 113 at the same time last year.

FROM THE KITCHEN

By: Daniel Minnema 'Dutch'

It has been a very busy month with golf outings, wedding receptions and member dining. The kitchen staff has been doing an awesome job paying attention to detail with all of the events. I would personally like to acknowledge my Sous Chef, Jacob, who has been doing an extraordinary job with his culinary talent. It has been a pleasure working with him and sharing our culinary expertise.

Our goal for the July 25th Friday night dining fell way short of what I was expecting, but we will try it again next year. Thank you for the comments on the food. I take great pride in not only providing members with great specials, but also making your dining experience one you won't forget.

Wednesday evening dining will now always be handled by myself or Jacob. I want the ladies to have different choices, variety and of course, quality. Ladies Auxiliary has been strong and a pleasure to cook for. Some of the meals come from my mother's favorites. Nothing better than seeing big smiles. Men's night continues to be strong. We had steak night two weeks ago with steak sandwiches, Rib eyes and sirloin steaks with a Marsala wine demi-glace. I will

plan another one next month, but will cook out on the back patio.

Again, it is my pleasure creating a variety of meals for your dining experience. I take great pride in my cooking and hearing your wonderful comments. I really appreciate the opportunity to be working amongst some of the nicest people. This upcoming month will be my one year anniversary of employment here at the club. Thank you to all of you and Happy Eating!!!

LADIES AUXILIARY

By: Marge Gerber

We women continue to meet every other Wednesday at noon. We have a delicious luncheon followed by a meeting. Finally we play either euchre or bridge. Our officers are Karin Campbell as president, Marge Gerber as secretary and Inez Toepfer as treasurer. We are in need of a vice president.

During the months of May and June we have had several hostesses who have done a lovely job decorating the tables. It is always fun to see how the tables will look for the gatherings.

There are many ladies to report as winners in euchre and bridge during the last two months. Euchre winners were Lois Rothen, Shirley Erickson (twice), Florence Folbrecht (twice), Sharon Folbrecht, Dorothy Benson (twice). High scorers in bridge were Bev Pieper, Barb Entwistle (twice), Ginny Horn, Shirley Nygaard (twice), Marge Gerber and Karin Campbell.

We look forward to welcoming new members to join our group. It is all these special ladies who make Wednesday afternoons an enjoyable event.

2014 Rally for the Cure

By: Terri McNamara

We would like to thank all of our hole sponsors, raffle donors, Stoughton Country Club and participants for another great Rally for the Cure Golf Outing on June 25th. It turned out to be a beautiful day and we had 115 ladies golf in the event and enjoy a wonderful dinner afterwards.

Your generosity enabled us to raise \$11,500 to be donated to two organizations this year. We have donated the funds to Susan G. Komen Foundation and Wisconsin Women's Health Foundation. Both organizations do great work on behalf of women's health.

Thank you and we look forward to having another great outing next year. Without all of you, we wouldn't have such a successful event.
