

Paul Kostelac, PGA

I am excited to be joining the Stoughton Country Club and wanted to tell you a bit about myself and my background. I have more than 20 years of experience in the golf industry at various facilities in Arizona, Iowa, and Wisconsin on both the public and private side of the golf industry. I grew up in West Bend, WI and moved to the Madison area in 2014 after nearly 20 years out of state and am glad to be back in the Midwest. I am currently living in Sun Prairie with my wife, Connie, and our two children, Sydney and Logan.

While in Arizona I spent the majority of my time as an Assistant Golf Professional and Resident Head Professional at Gold Canyon Golf Resort, a high-end resort facility. While working in Arizona I earned my PGA Class A membership in 2004. After relocating to Iowa in 2011, I joined the staff at the Briarwood Club of Ankeny, a relatively new private course with a growing membership. Since returning to Wisconsin in 2014, I have worked at a number of local public and private facilities including the West Bend Country Club, Cherokee Country Club, and most recently Door Creek Golf Course. Throughout my experience I have been involved in many aspects of golf operations, management, tournament and event planning. I have significant experience and am certified in both club fitting and club repair including club building, reshafting, loft and lie adjustments, and regripping. I also have experience teaching players of various skill levels in both clinic and individual settings.

I look forward to the opportunity to bring my experience, continue to learn, and get to know the membership at the Stoughton Country Club.
