PRESIDENT'S MESSAGE

By: Ted Waskowski

It's time to give and say thanks. Our membership and finances are strong, thanks to hard work by Steve, Tami, Mark, Tony, Dutch, Tim, Claire and the rest of our staff. Everyone did what they promised to do and more. Thanks to everyone and have a wonderful holiday season! Come see Steve's holiday decorations, the Club sparkles!

MANAGER'S MEMO

By: Steve Hlavacek

You have been asking for a fun New Years program and this year we hope to please. The evening will feature a Casino Night, to include blackjack tables, craps table, roulette table and slot machines. The money you win can be used towards raffle tickets to win prizes at the end of the evening. In addition, we will be trying a different type of food presentation to include a "Make you own Taco Bar", Pizza Bar and Dessert Bar. There will be plenty of tasty food to enjoy. We will also have a DJ for those of you love to dance. On top of everything else, we will be having a champagne toast at midnight and everything is included for \$35.00 per person. We hope lots of you come to enjoy your friends and ring in the New Year. Please make your reservations early. You can sign up online or call us here at the club at 873-7861. It will be a good party and guests are welcome.

SUPERINTENDENT'S MESSAGE

By: Mark Livingston

As I sit at my desk and write this article it is November 26th and the course is covered in a couple inches of snow. I have left the pins out hoping that we might get a warm up but if that doesn't happen we will shut the course for the season. This is the first time in a couple years that the course will be closed by Thanksgiving. When you think back to last spring we didn't open until April 20th, a full month later than the previous year. The later opening coupled with an earlier closing made this year's golfing season a month and a half shorter than last. This past summer we worked on a couple different projects. First, we continued the expansion of some of the putting greens. Some areas have filled in nicely while others continue to struggle. We will continue to work on these areas over the next year and hope to have the expanded areas looking and playing like the rest of the green by next fall. Secondly, we constructed a putting greens nursery behind number 11 green. We installed irrigation and hauled in greens construction mix. Next we leveled and seeded the area. The nursery had good germination this fall and will continue to fill in over the next year. We will use this nursery to repair "bad spots" or damaged greens. It will also be useful when we want to do any type of renovation or expansion. This winter Tony and I will stay busy with equipment maintenance and the occasional excursion outside for tree maintenance. We will also do our best to get in some ice fishing while we have the time. Enjoy the winter.
