

STOUGHTON COUNTRY CLUB NEWS

February 2016

PRESIDENT'S MESSAGE

By: Suzette Mullooly

Another January has come and gone and another month of winter is behind us. We are a little closer to spring and golf resuming at SCC! I think we all look forward to another golf season and opportunities to socialize with fellow members.

The Club's Annual Shareholders Meeting was held January 25, 2016. Building membership and developing a plan to remodel/update the bathrooms were areas of focus in 2015 and will continue to be areas of emphasis in 2016. The 2016 Budget was approved and Tom Ellefson, Ted Waskowski and Paul Pitas were elected as Board Members. Tom Hendricks is leaving the Board and we thank him for his years of service and many contributions. Thanks also to those of you who were able to attend the meeting and for your questions and suggestions.

Work is starting on the 2016 membership book and with it an effort to get updated member information. If your address, phone number or email address have changed (many no longer have land lines, only cell phones or new email providers) you can submit your new information on line in the Member Directory Section on the Stoughton Country Club website, email changes to tami@stoughtoncountryclub.com or use

one of the forms found in the office, ladies' lounge or bar. Scheduling matches and contacting other members will be made easier having the most recent information available.

To thank you for your membership, the Board of Directors invites you to Member Appreciation Night to be held on Saturday February 20, 2016. Complimentary cocktails and hors d'oeuvres will be available from 6:30pm to 8:00pm so please RSVP to Tami by Monday February 15 and join your fellow members for a night of fun. You are the strength of our Club.

TREASURER'S REPORT

By: Lisa Johnson

Before reporting on our financial statements, I would first like to thank Steve Swanson for serving as Treasurer of the Board for the last two years. Steve is extremely dedicated to this club and has given much of his time and energy to improving our club through his activities associated with increasing membership to serving as Treasurer. We thank him for looking at ways to improve efficiencies and the overall image of our club. The Finance Committee would also like to thank Brian Stotlar for his dedication and

services to the club including managing our monthly accounting and financial statements, our membership invoicing and monitoring our shareholder balloting.

We ended 2015 in similar financial condition to 2014. We are in favorable financial shape as revenue and expenses remain stable. We recognize that cash flow presents problems from October through December and thus, we must preserve cash to manage the club and to hold cash in reserve for unforeseen capital expenditures. We realize we have long term debt obligations that are a concern to some members, but by paying down large amounts on that debt, it would lead us to incurring much larger and more expensive short-term debt in the last four months of each year.

We know we must look to the future of our club to enhance it in attracting and retaining members and profitable events, such as weddings. As the building committee proposes plans for enhancements to our clubhouse, the finance committee will be working closely with them to analyze the financial aspects of the proposal and funding options that are available. Please contact me if you have any financial questions concerning our club.

LADIES AUXILIARY

By: Marge Gerber

There were two meetings for the Country Club ladies during the month of January. Through the frigid weather, several members came to enjoy the delectable lunches and a good rousing game of bridge.

At the January 6th gathering, the high scorers were Bev Pieper and Marge Gerber. Winners at the January 20th meeting were Karen Benson and Diana Rekowski. We all certainly enjoy playing a stimulating round of bridge!

We are always looking for new members to join this fine group of ladies. Please consider joining our group. We meet every two weeks. Meetings for the month of February are on the 3rd and the 17th. Hope to see you there!
