PRESIDENT'S MESSAGE

By: Suzette Mullooly

Well winter has finally found us. It is a wintery mix as I am writing this newsletter and Mark has removed the flags, for the **second** time this season! I hope all of you who were able to get out and play in December enjoyed it and marked your calendar on what was probably one of the latest dates to play in December.

Hope everyone enjoyed the holiday events at the Club last month. The Christmas brunch was delicious; gingerbread houses delightfully decorated; and another fun New Year's Eve celebration.

2015 was a good year for the Club with membership up, good financials and the course in great condition. My thanks to our staff for all they do throughout the year.

The Stoughton Country Club annual meeting is coming up this month so please mark your calendars for Monday January 25, 2016 at 6:00pm. A buffet dinner will follow the meeting.

I hope you had a great holiday and my best wishes to you and your families for a wonderful 2016. Look forward to seeing you at the Club in the new year.

MANAGER'S MEMO

By: Steve Hlavacek

Well... I guess it had to happen eventually, as the course closed again for the 2015 season on Monday, December 28th. We had a great late season run with the weather and many of our hearty members got in those last few rounds of the season. We are hopeful that spring will come early and your swing is still in the "Groove".

We will be replacing the carpet in our dining room and installing a new floor in the bar and dance floor area when the club is not busy. The club is open for you to enjoy on Tuesday and Friday nights for dinner and Thursday for Mens Day. Thank you to all of our members who continue to use our dining throughout the winter months. Please make reservations to help us with staffing of employees.

On behalf of all of our staff here at the club, we want to wish our members and their families a very happy and healthy New Year!!

Lost and Found: Women's, Adams 7 iron, graphite shaft. Found in one of our members bags and turned in in mid-December.

LADIES AUXILIARY

By: Marge Gerber

November and December saw only two ladies auxiliary meetings because of the holidays. The weather has been very favorable for all the ladies to attend the meetings.

The November 11th gathering offered good food (thanks, Jacob!), good friends and good bridge. High scorers for the day were Inez Toepfer and Lynene Harmon.

The December 9th gathering was our annual Christmas party celebration. There were several members there along with many guests. Everything was so

festive! The holiday decorations were lovely and created a warm ambiance. The luncheon was delicious. There were five tables of bridge which made for a lively competitive event. When the games were played and finished, the high scorers were Ardys Pfundheller and Lynene Harmon. Congrats gals!

The next meetings in January will be on the 6th and the 20th. It looks as though we will still have good weather for you to attend. Please come out to your country club and share good times with everyone!
