Manager's Memo

July 4th: Since the Holiday falls on a Thursday, Men's Day is Cancelled and the course and Clubhouse is OPEN for all Members.

July 6th: Holiday Scramble. Shotgun Start at 12:00, Bring your team air we will pair. Handicapped Event. \$20.00 per player includes, golf, prizes and buffet that follows. Sign up no later than Wednesday, July 3rd. WE NEED 24 PLAYERS OR EVENT WILL BE CANCELLED!

With all the rain we have had these past months the course is very wet and we need to remember to keep the golf carts on cart paths around the tees and greens. All four wheels of the carts should stay on the cart paths. Your cooperation will help keep the areas around the tees and greens from being run down with cart tracks.

We are looking forward to the start of our putting green construction. The process will start with the rerouting and installation of our new irrigation lines next week. Removal of the huge roots from the trees that taken were down, one of which was completely rotten inside, will start the 2nd week in July. After this, you will begin seeing construction equipment start to cut and shape the putting green. We will keep you up to date with photos throughout the

project. The Greens Committee, our course superintendent, and a landscape architect will be monitoring the project from start to finish to ensure a great and safe putting green.
