#### **PRESIDENT'S MESSAGE**

*By: Suzette Mullooly*

February 7 was Member Appreciation night. It provided us with an opportunity to recognize Past Presidents, (those attending included Doug Pfundheller, Ron Furseth, Doug Stolen, Katie Slinde, Donn Wheeler, Ron Buss, Mark Janikowski, Dennis Young, Gary Polipnick, and Ted Waskowski). Our longest golf member attending the event was Ron Furseth and longest social member, Florence Folbrecht.

We also were able to publicly thank Donn Wheeler for his generous donation for the shelter/bathrooms on the back nine holes. Doug Pfundheller described a time when we had almost no trees on the course and how different hole number 5 looked at that time. Hard to imagine now! Doug Stolen and Troy Wieser previewed the Stoughton Hospital Foundation Golf Event and Shillelagh Open, and how much monies these events have been able to raise for the Community. Many photos, news accounts, plaques, and membership booklets were displayed giving us a chance to walk down memory lane and remember many fun times as well as crises such as the fire that destroyed the Club House.

Let's hope winter releases its grip soon and spring pushes it away so we can get out on the course.

#### **GOLF SHOP MESSAGE**

*By: Steve Hlavacek*

Callaway Golf will be holding a club fitting clinic here at the club on May 8th from noon until 6:00. Please call the golf shop to confirm an appointment.

Membership Promotion and new members are the future of our club. We want our members to have the opportunity of bringing their friends to the club who might be considering membership. During the months of March, if we are open, April and May you may bring a guest on either Women's or Men's Days and they can play the course for free. We will also invite them to stay for lunch or dinner so they can sample every aspect of our hospitality, all for free. Please take advantage of this great way to introduce new people to our course and clubhouse.

If you know of someone who is interested in membership please contact me at 873-7861 and we will answer any questions you have or help you in any way that we can.

## **MANAGER'S MEMO**

*By: Steve Hlavacek*

Can you believe it is almost Daylight Saving Time? March 8th we lose an hour and the 20th is the first day of Spring. There needs to be some serious change in our weather pattern if Spring is just around the corner. But, be assured, those television ads showing the azaleas at Augusta can only mean golf is not that far away. There was a year that we opened the course on February 18th and it remained open for the season. In recent years, Spring has dragged it's feet and we didn't get the course open until April. Let's hope that this year will get warm and the course will be open sooner than last year.

Premier Cart Company will be holding their Tune Up Days here at the club on March 30th and 31st. If you need a Spring tune up or any cart work please call Ben at Premier at 210-3422 to make an appointment. If you need us to help move your cart in or out of the shed please let us know and we will help you out.

Stoughton Country Club Garden Club, sounds nice doesn't it? Well this year we will be encouraging those of you who want to help plan and plant our flower beds on the course and near the clubhouse to sign up for our first ever, Garden Club. Anyone interested please call me at the club and we can start planning for the season.

This year by popular demand we will be printing copies of our Club Book. As in the past, we will allow those members who want to advertise in the book to contact the club. Full page ads are \$100.00 and half page are \$50.00. This is a great place to offer your goods or

services to your fellow club members at a terrific price. We will also include your copy on our online version of the Club Book. Please contact us as soon as possible to insure that your ad will get into the book.

Remember that the first Friday Night of the month is Casual Card Night at the club. Anyone interested in playing a little cards, bridge or euchre, after dinner time, 7:00 to 7:30, please let us know. Come early, enjoy a delicious dinner and play some cards in the Founders Room by the fireplace.

Easter Brunch is Sunday April 5th. The Easter Bunny will be here for the kids. Easter Egg Hunt starts at 11:00 sharp.

## **LADIES AUXILIARY**

*By: Marge Gerber*

The ladies auxiliary met on February 4th and 18th. We had a wonderful time visiting, dining and playing cards.

The high scorers in bridge were Bev Pieper, Ardys Pfundheller, Inez Toepfer and Fran Kingery. Good bidding, ladies!

We encourage any female member, who is looking to be part of a great group of women, to come and enjoy what our Club has to offer. Hope to see you soon
