March 2016

PRESIDENT'S MESSAGE

By: Suzette Mullooly

Lots of fun events took place at the Club in February; a chili cook off on a Thursday Men's night; Valentine dinner with several delicious specials; member appreciation night with yummy hors d'oeuvres; monthly Tuesday ladies night with dinner and games; and alternate Wednesday ladies lunch and bridge. Hope you were able to participate and join your fellow members. Upcoming events for March include a wine tasting on Saturday March 5 and of course, Easter Brunch.

Next year Stoughton Country Club will be 95 years old and we want to preserve more about the Club's history, membership and events. If you have any pictures, articles, or stories that you can give the Club it would be greatly appreciated. Doug Pfundheller will act as the Club's historian and continue to document the Club's history, and organize pictures and stories. This is a wonderful way to capture the continuing legacy of our Club. Thank you to Doug for being willing to help with this.

Setting up matches can be challenging and even more so if you have to track down phone numbers so please remember to update your information for the membership book if it has changed. It can be done online to tami@stoughtoncountryclub.com or by

using one of the forms at the Club. As the ad says "you will be glad you did".

I saw robins on February 13, so I am hopeful that spring is just around the corner and with spring, golfing is not far behind. Look forward to seeing you at the Club.

MANAGER'S REPORT

By: Steve Hlavacek

We will be replacing the carpet in our dining room and installing a new floor in the bar and dance floor area when the club is not busy. The club is open for you to enjoy on Tuesday and Friday nights for dinner and Thursday for Mens Day. Thank you to all of our members who continue to use our dining throughout the winter months. Please make reservations to help us with staffing of employees.

Wine Tasting scheduled for Saturday, March 5th has been cancelled. We will try to reschedule for April or May.

TREASURER'S REPORT

By: Lisa Johnson

January this year we experienced a decline in revenue vs. last year due to a couple events that occurred in January 2015 and were not repeated this year. The first quarter is the worst time for the club in terms of revenue but expenses

are also low due to reductions in staff. As a club, we are very dependent on cash flow. What helps the club in managing cash out is a steady and consistent inflow of cash keeping our accounts receivable low. We all miss bills or have circumstances happen but whenever possible, the club appreciates timely payments on monthly charges. If you have issues with your monthly billing, Tami or Steve will be happy to resolve the problem. Please contact me if you have any questions.

LADIES AUXILIARY

By: Marge Gerber

Of course, the luncheons were delicious. Thank you, Jacob! In addition to the good fellowship we always have, there were many rounds of good bridge. A bit of explanation is needed here concerning bridge. The auxiliary is comprised of women and always has been. We found ourselves missing two bridge players on 3. February. So Suzette Mullooly and Bev Pieper offered to recruit their husbands to play. They both arrived, played good bridge and

During this cold month of February, we ladies had two meetings of the auxiliary. both won!! We treat our guests very well.

Our next meeting was on 17. February. The high scorers in bridge were Karin Campbell and Inez Toepfer.

We will have three gatherings in March; on the 2nd, 16th and 30th. Please consider joining our group. It is always a fun-filled day!
