

STOUGHTON COUNTRY CLUB NEWS

Volume XIX Number 11

November 2014

PRESIDENT'S MESSAGE

By: Ted Waskowski

The member surveys have all been returned. The board will analyze the results and report at the annual meeting. Thank you to everyone who participated.

We will have at least one Board opening to fill in January. Our goal has been to acquire as much expertise as possible on the Board so that we can make the most informed decisions possible. For example, we presently have insurance, human relations, finance, banking, legal, IT, small business and actuarial expertise. The range of expertise allows us to accomplish things without paying outside vendors and also brings different perspectives to decision making.

If you are interested in being considered for Board membership, please send me a resume so I may share your interest and experience with the Board. You can reach me at twaskowski@staffordlaw.com.

GOLF SHOP MEMO

By: Steve Hlavacek

We have had some nice days this fall and it was nice to see that not all of our members have "hung 'em up" for the season. Our course will be open as late in the season as possible. We will close when Mark Livingston, our Superintendent, says that any further play will damage the course. In the meantime, put on your long underwear and continue to enjoy the course.

Our Men's Classic was completed last Sunday. Derek Westrum and Gary Brown defeated Tom Moore and Bob Severance, on the edge of darkness, on the 38th hole of their matches. The game went back and forth with some great golf on a beautiful day. I had the privilege of watching with several other members, one of the best classic matches ever. Congratulations to both teams. Mark Janikowski and John Deininger took third place honors.

Turkey Open is scheduled for Thursday, November 6th. Entrants will play for turkey prizes on every hole, enjoy hors d'oeuvres and a complete thanksgiving dinner with all the fixins.

There will be Turkey Bowling for everyone for a chance to be in the "Turkey Roll Off". Dinner will be served at 6:00. Make sure you have a tee-time as Day Light Saving Time will be in effect and it will be getting dark around 5:00.

Golf Shop Sale starts on November 1st. The golf shop will be open on a regular basis until till the course closes for the season.

MANAGER'S MEMO

By: Steve Hlavacek

The club will remain open on Tuesday, Thursday and Friday nights throughout the winter season. As the weather changes and day light saving arrives, we will be closing on Wednesday nights, beginning November 5th. If we get lucky and the weather allows continued golf on Wednesday, we will try to accommodate those of you who want to eat on Wednesday evening. It is wonderful to see so many of our members continue to come out on Friday nights. We have had lots of positive feedback on how great the food has been. Staffing on Friday nights presents some problems when we don't know how many people plan on dining. Please try to remember to make a reservation if you are planning on coming to the club. Thank you for your help.

We will be introducing a new person as our Events, Banquet and Dining Room Manager in the very near future. This person will replace Claire Schuller who has been with us for the past seven years. Claire will be continuing her

education and we all wish her success in her future endeavors.

LADIES AUXILIARY

By: Marge Gerber

There are three meetings of the ladies auxiliary in October.

Hostesses for these meetings were Gloria Murray, Barb Entwistle (twice), Shirley Erickson, Karin Campbell and Chris Milligan-Ciha. As usual, the table decorations were colorful and lively. Thank you to all these ladies.

Winners in bridge for the first two meetings of the month were Ardys Pfundheller, Ginny Horn, Marge Gerber and Inez Toepfer. High scorers in euchre were Ma Star (twice), Lois Rothen and Beverly Degroot.

There will be no gatherings on November 25 and December 24 because of the holidays. Therefore, each month will only have one meeting.

Our luncheons have been very tasty. Dutch is doing a wonderful job feeding the auxiliary ladies.

Once again, please consider joining this super ladies group. It is always relaxing and full of fun!

FROM THE KITCHEN

By: Daniel Minema

Another month has passed by with some amazing weather. This month has kept the kitchen busy with weddings on every Saturday. These functions create good revenue for the club and we have already booked 19 for next year. Friday night dining continues to be very steady. The specials have been selling very well and the feedback on them has been great. It

is a pleasure tempting the palate with tantalizing dishes.

When the golf course closes, I will be scaling down the club house menu so that we can eliminate waste and keep the freshest food items for service. I will be working on the new seasonal menus throughout the winter for next year. I have many new ideas, not only for the club house menu, but also the Friday night dining menu. Don't worry, I won't be changing the fish. I have heard many positive comments and I really take them to heart.

We have received many positive comments from our wedding parties. People are talking about the club setting overlooking the water, the service, and how good the food has been. The kitchen prides itself in providing the freshest product and taste for all events. Please remember, if you have a special food request, just ask and I will personally try to help.

Have an awesome next month and happy eating.
