**November 2016**

### **PRESIDENT'S MESSAGE**

*By: Suzette Mullooly*

This last week Mark and staff have been busy on the course getting ready for the cold weather. The sprinkler system was winterized and the lines blown out and several new trees were planted. After a busy growing season, the flowers beds are being cleaned up and the mowing is finally slowing down. But let's hope we still have some mild days for a little more golf because the greens are well healed and rolling smoothly. Please remember that the back nine bathrooms will be closed now that water will not be available to them.

While the weather dictates the times we can golf this time of year, activities in the club house are heating up in November. Staff has many fun activities plan. They include a GOURMET NIGHT ON THE PORCH, when Brittany will prepare a special six course dinner with wine. Since seats are limited you may want to RSVP early. SUNDAY BRUNCH will be served on November 20 allowing for a rest before the Thanksgiving cooking later in the week. Another aid in preparing for the holidays will be the FAMILY CUPCAKE BAKING NIGHT Brittany will host where she will share

her knowledge on making fancy holiday cupcakes. Yummy!! Kelly will lead a WREATH AND CENTER PIECE PARTY at the end of the month giving us a head start on holiday decorating. Please check the newsletter calendar for the dates and times of all these club events, they should be a lot of fun.

Please take a few minutes to complete the survey on your recent dining experience at the Club. We look forward to your feedback and very much appreciate it. Look for more information in the House Committee's column.

Best wishes for a wonderful Thanksgiving.

Turkey Open will be held on Thursday November 10th. This is the 35th year of the event that features flag prizes where you can win a turkey on every hole. This year we will have a special Hole-In-One contest with a New Club Car Golf Cart for an ace on #10. The contest is sponsored by Premier Golf Cart Company. Looks like the weather will be perfect for "Turkey Bowling". The event will be followed by a complete Turkey

Dinner with all the fixings and pumpkin pie for dessert. There are door prizes for those of you who just want to come for dinner. Guests are welcome and we will use tee times from both nines to make sure you get done before dark. Sign up in the golf shop.

Sunday was a perfect day for golf. The club was busy with members taking advantage of the great weather. Our Annual Hole-In-One Party was held in the afternoon. Anyone in the Hole-In-One Club was eligible to attend and enjoy free cocktails, and snacks. Our annual chipping tournament was held by the members and Larry Harlow won first place. Larry won dinner and drinks for him and Sandy. In second place, was Dave Mannis, and in third was Tom Hendricks. If you want to get in the club, you don't have to have a hole in one. The club entry fee of five dollars provides insurance for the members in the event they make a hole in one and have to buy drinks. All in all, the event was a fun, and enjoyable late afternoon event.

The Holiday season is just weeks away and we have many events planned from Family Cupcake Baking, Wreath Making, Gingerbread House construction for the kids and Brunch with Santa. Check out the specific information highlights that are included about all of our events and we hope you enjoy these holiday programs here at Stoughton Country Club.

If anyone is cleaning up their flower beds and has bulbs or perennials they want to donate to the club we would appreciate

them. We have several flower beds where we could use anything you have.

A Big Thank You to Nick and Mary Anne Zwaska for the donation of a Christmas Tree for the Clubhouse.

Our goal is to provide the best dining experience for our members. Over the next few weeks members will have the opportunity to respond to a survey focusing on their Friday evening dining experiences. Table cards in the dining area will include a web address that will take members to an on-line survey. Hard copies will also be available in the dining area. Responses will be completely anonymous. We value your feedback as we strive for service excellence in your dining experience.

### **LADIES AUXILIARY**

*By: Marge Gerber*

As the temperature falls and the days grow shorter, we ladies at the country club are enjoying lovely surroundings and good games of bridge. Our bartender, Tim, takes good care of us, and the chefs, Lenny and Brittany, have been preparing delectable meals for us. We feel very warm and welcome when we are there.

We played bridge on October 12th and October 26th. High scorers on the first Wednesday were Marge Gerber and Ardys Pfundheller. Victorious on the 26th were Lynene Harmon and Karin Campbell.

We continue to recruit new players on Wednesdays. It is nice to have a bigger group of ladies. Please feel welcome to join us.
