

STOUGHTON COUNTRY CLUB NEWS

Volume XIX Number 10

October 2014

PRESIDENT'S MESSAGE

By: Ted Waskowski

We had a truly remarkable response to our member survey, we have 145 responses and they are still coming. The responses were thoughtful and constructive. The outpouring highlights how much the members care about the Club and its future. Since we are still receiving responses, we will wait a bit to report the results to you. If you have not responded, please consider doing so. Thank you to everyone who took the time to respond.

A number of members have asked about the status of the shelter/restroom on the back nine. We are expecting to be underway very soon. Many of you know that the incredible generosity of Don Wheeler is what makes this project possible. Don has been a positive force at the Club for many years. Among many other accomplishments, he was instrumental in making the back nine a reality. Thank you Don.

Stoughton Country Club Women's Golf has donated the funds necessary to install a quality sound system for the Club. This will enhance the use of the patio and be a great addition. Thank you Women's Golf.

Enjoy the course. It has never been more beautiful. Thank you Mark and your staff.

GOLF SHOP MEMO

By: Steve Hlavacek

MEN'S FALL BASH Scheduled for October 16th here at the club. This is our big event of the season and hope all of our men can consider playing. We will have flag events, our "Yellow Ball" event, Big Raffle and some other surprise events. Also, this our night to honor all of our Men's Club Champions and distribute trophies and awards. The evening will also include appetizers, prime rib dinner and dessert. Put this on your calendar and help make this a success. Sign up in the golf shop. Guests play golf for free!!

FALL MEMBERSHIP SPECIAL; Remember to remind any of your friends that are potential members, that the Fall Special is a great bargain. The balance of this year and next year for this years dues. In addition, the free use of one our new leased golf carts is included. Most of our new members come from referrals by our current members, lets see if we can't increase our membership this fall. Thank you for your support in making Stoughton

Country Club a place you can be proud to be a member.

MANAGER'S MEMO

By: Steve Hlavacek

We had to say goodbye to a lot of our summer staff. You will be seeing a few new faces in the dining room and bar on your visits to the club.

Please make reservations on Friday evenings, so that we may provide you and your guests a delightful dining experience.

LADIES AUXILIARY

By: Marge Gerber

As summer draws to a close, the ladies auxiliary enjoys its warm and toasty atmosphere at the Country Club.

During the two meetings in August, the hostesses were Lois Rothen, Shirley Erickson, Gloria Murray and Karin Campbell. We saw beautiful table decorations comprised of fresh flowers. They were quite lovely.

The August bridge winners were Fran Kingery, Marge Gerber (twice), and Chris Milligan-Ciha. High scorers in euchre were Florence Folbrecht (twice), Bev Degroot and Ma Star.

There were also two meetings during the month of September. We saw several colorful autumn pieces displayed during these meetings.

Victorious in playing euchre were Marian Rambo, Florence Folbrecht, Dorothy Benson and Lois Rothen. Winners in bridge were Ginny Horn, Marita Hettinger, Fran Kingery and Marge Gerber.

Please consider joining the auxiliary.

We meet on every other Wednesday for lunch, a short meeting and cards. There will be three meetings during the month of October. We will meet on the 1st, the 15th and the 29th. We always have a pleasant time, good food and a lot of friendly ladies.

FROM THE KITCHEN

By: Daniel Minema

Wow, what a couple of months it has been. We finished last month really strong, reaching a Friday night dinner crowd of 191. Way to go!!! We finished the past couple of weeks with the Ladies Fall Frolic, which was a huge success.

Thank you to the ladies for supporting the club as we eclipsed numbers from last year. It was a pleasure providing a wonderful meal. Grape Expectations was a huge success, as the kitchen focused on palate tantalizing bites.

We have weddings booked every Saturday throughout the month and two scheduled in November. We are proud to promote the club and it is our goal to make every reception flow with ease.

Remember that Tuesday night we have specials that appeal to the golfers as well as social members. Thank you for coming out on Tuesday nights. September 25th was steak night for the men and it was a huge success. Thank you to all the men for your support of the club.

It has been a great pleasure serving the Ladies Auxiliary. We always try to cook a well-balanced meal, and then spoil you with dessert. Your feedback has been wonderful, thank you.

Just remember, if there is something you would like to see on the menu, check

with me or your server and we will try to accommodate your request. It is a pleasure working here with such wonderful people who desire good food. Thank you to all and happy eating.

COURSE NOTES

By: Clyde Olson

Fall is upon us. Just a few notes regarding the golf course. Grass will be growing much slower as the temperatures drop, so it is very important that we keep all four wheels of our golf carts on the cart paths. This will minimize damage along our cart paths this fall. It is also as important that we fill or replace divots and repair ball marks.

We are getting a sand jug rack that will hold twelve sand jugs for the practice area. We hope that all people using the practice area will fill their divots there as well. This area was originally built as a turf nursery. The intent was to take sod from here to make repairs on the golf course. This area now doubles as a practice area for our members.

CART SHED CLEAN-UP. We are scheduling a cart shed clean-up for Saturday, October 25th. We will need to move all of the carts out of the shed so we can hose it out, squeegee it, vacuum it and blow it out. We will need access to your cart keys so we can move them.

HELP WANTED! I will buy the refreshments when finished.

The clubhouse is open for lunch on Tuesday through Sunday from 11-3. Dinner is served on Tuesday and Wednesday nights, Thursday Men's night and Friday night member dining. Please make reservations for Friday evenings.
